WHO WE ARE

OUR MISSION

To provide specialized security services that exceed customers' expectations.

OUR VISION

To be the preferred security provider in Rwanda with the most reliable security services.

OUR CORE VALUES

Results - Driven: Our focus is driven by our desire to achieve and exceed intended goals.

Integrity: We are honest, transparent, ethical and objective in everything we do.

Leadership: We all endeavor to take initiative, be proactive, be committed, demonstrate ownership and accountability, be visionary, lead by example and be team players.

Innovation: We continuously challenge ourselves and seek new ways of doing things creatively.

Excellence: Our focus is driven by our desire to achieve and exceed intended goals..

OUR SERVICES

Guarding Services.

At ISCO Security, our guarding services are from the bedrock of safety and security. Whether through armed or unarmed guards, our mission is to ensure the wellbeing of individuals, properties and assets.

Armed Guards: Equipped with training and firearms, they serve as a powerful deterrent and respond effectively to security breaches.

Unarmed Guards: Equipped with training, relying on observation and communication skills, they provide visible security, monitoring systems, and responding promptly

VIP Protection: Our Close Protection Officers (CPOs) go beyond traditional security roles. Highly trained and experienced, they assess risks, devise strategic plans, and employ advanced tactics to create a secure environment for our clients. Your safety is our unwavering commitment.

OUR SERVICES

Protecting what matters most Your home

OUR **SERVICES**

Event Security

SECURING MOMENTS, SAFEGUARDING MEMORIES!

Ensuring the safety and security of events large and small, our dedicated team provides comprehensive event security solutions. From risk assessment and strategic planning to crowd management and emergency response, we deliver peace of mind for organizers and attendees alike. With trained personnel, cutting-edge technology, and meticulous attention to detail, we safeguard against potential threats and ensure a smooth and secure event experience.

OUR SERVICES

Security Solutions

Security solutions encompass a range of technologies, practices, and strategies designed to protect individuals, assets, and information from threats, risks, and unauthorized access. These solutions can include physical security measures such as surveillance systems, access control systems, and alarm systems, as well as digital security solutions like firewalls, encryption, and cybersecurity protocols. The goal of security solutions is to mitigate vulnerabilities, deter potential threats, and ensure the safety and confidentiality of people and valuable resources. Some of the solutions include:

- ✓ Intruder alarm systems (Automatic & Manual)
- ✓ CCTV systems
- ✓ Panic button
- ✓ Vehicle management systems/Fleet management systems
- ✓ Visitor management systems
- ✓ Traffic Barriers
- ✓ Access control systems
- ✓ Radio Communications
- ✓ Guard monitoring systems
- ✓ Firefighting systems and equipment
- ✓ Gate motors
- ✓ Searching equipment (Scanners, under search, walkthrough, and detectors...)
